

## **Health, Safety and What to Expect**

Dear Guests,

First and foremost, our thoughts are with those who have been affected by the COVID-19 virus and to the health care workers caring for them.

We know your lives have changed and day to day expectations are certainly a little different. Rest assured, we have made every effort to enhance our health and safety precautions complying with the Centers for Disease Control and Prevention (CDC), state guidelines and local health orders.

For 38 years our legendary service has prevailed during the most challenging of times. We are now ready and excited to open our doors and wish to thank you for our patience and loyalty.

To safeguard our guests and staff as well as prevent the spread of COVID-19 in our community and the workplace, the following health and safety measures have been implemented:

Sincerely,

Russ Olsen  
Chief Executive Officer

## **Mandatory Mask-Wearing in Public Spaces**

Utah's Governor Herbert has mandated all individuals living within or visiting Summit County wear a face mask while inside publicly accessed indoor establishments to prevent the spread of COVID-19.

Summit County includes all of Park City and Stein Collection Properties.

### Face Coverings Mandatory

All individuals will wear face coverings that completely cover the nose and mouth in the following circumstances: Inside of, or in line to enter, any indoor space, which is open to members of the public. This includes transportation vehicles.

### Exemptions

Individuals age two years or under.

Individuals with medical condition, mental health condition or disability that prevents wearing a face covering

Individuals who are hearing impaired, or communicating with an individual who is hearing impaired, where the ability to see the mouth is essential for communication.

Individuals who are obtaining a service involving the nose or face for which temporary removal of the face covering is necessary to perform the service.

Individuals who are seated at the restaurant or other establishments that offers food or beverage service, while they are eating or drinking.

Individuals who are purchasing a product or receiving a service that requires identification may briefly remove the face covering, as necessary, so that the retailer or service can verify the identity.

### Violations

Local law enforcement agencies are directed to enforce the order and violations will be considered as an infraction carrying a maximum penalty of \$750 fine and no jail time.

## **Guest Health Attestation**

By entering the premises, you are attesting that:

- You do not have COVID-19 infection and are not currently experiencing or displaying, and have not in the last 14 days experienced or displayed any of the following symptoms:
  - Fever or chills
  - Cough
  - Shortness of breath or difficulty breathing
  - Fatigue
  - Muscle or body aches
  - Headache
  - New loss of taste or smell
  - Sore throat
  - Congestion or runny nose
  - Nausea or vomiting
  - Diarrhea
- You have not in the last 14 days had any close contact with anyone who is either confirmed or suspected of being infected with COVID-19, including anyone who was experience or displaying any of the known symptoms of COVID-19

We are restricting access to all Stein Collection properties for anyone with knowledge that they have a COVID-19 infection or have recently been exposed to the virus.

## Health and Safety Practices

According to the CDC, the best way to prevent illness is to avoid being exposed to a virus

### Everyone Should:

Wear a face mask while in any indoor public space throughout Park City and at any Stein Collection Property. (see page on mandatory masks for exceptions)

#### Wash your hands often

- Wash your hand often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing or sneezing
- If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces with your hands and rub them together until they feel dry
- Avoid touching your eyes, nose, and mouth with unwashed hands.

#### Avoid Close Contact

- Avoid close contact with people who are sick.
- Remember that some people without symptoms may be able to spread the virus
- Stay at least 6 feet between yourself and other people

#### Cover your mouth and nose with a cloth face cover when around others

- You could spread COVID-19 to other even if you do not feel sick
- The cloth face cover is meant to protect other people in case you are infected
- Continue to keep 6 feet between yourself and others. The cloth face cover is not a substitute for social distancing

#### Cover coughs and sneezes

- If you are in a private setting and do not have on your cloth face covering, remember to always cover your mouth and nose with a tissue when you cough or sneeze or use the inside of you elbow
- Throw used tissues in the trash
- Immediately wash your hands with soap and water for at least 20 seconds. If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol.

#### Monitor Your Health

- Be alert for symptoms. Watch for fever, cough, shortness of breath, or other symptoms of COVID-19 found at <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>.
- Take your temperature if symptoms develop.
- Follow CDC guidance if symptoms develop at <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/steps-when-sick.html>.
