Randall Bolten is the author of, *Painting with Numbers: Presenting Financials and Other Numbers So People Will Understand You*, published in 2012 to glowing reviews. His 30-year career as a Silicon Valley financial executive, which provided the inspiration for *Painting with Numbers...*, includes nearly 20 years as CFO for both public companies and startups, and senior finance positions at Oracle and Tandem Computers. He currently is an instructor at U.C. Berkeley, speaks and writes extensively on communicating numerical information effectively, and operates Lucidity, his consulting practice. Mr. Bolten holds a BA from Princeton and an MBA from Stanford.
