Dr. Vincent Covrig

PhD, CFA

Crowe Horwath

15233 Ventura Boulevard, 9th Floor

Sherman Oaks, California 91403

P: (818) 325-8452

E: vincent.covrig@crowehorwath.com

Vincent Covrig is a director in the Valuation Services practice at Crowe Horwath LLC. He has over nine years of experience in the valuation of fixed income securities, financial derivatives, compensation awards, enterprise valuation and allocation models, and contingent considerations. Mr. Covrig often employs binomial and Monte Carlo modeling; and performs research and custom derivatives pricing in Bloomberg. He has presented at ASA and NACVA conferences, teaches classes at the university, and has published more than a dozen papers in top academic and practitioner journals.
