Harold Deiters is the partner-in-charge of the litigation and valuation services group in the New York regional offices of Baker Tilly Virchow Krause, LLP. Mr. Deiters is a trained professional in preparing business valuations and performing forensic accounting. His experience covers valuations for matrimonial and estate tax purposes, gift planning, shareholder disputes, economic damages, and buy/sell agreements. He has extensive experience in tax return preparation, accounting, and auditing both public and privately held companies; including manufacturing, wholesale and retail distribution, professional service organizations, and not-for-profit organizations. In addition, Mr. Deiters has over eight years of accounting experience in the private sector.
