INSTRUCTOR CHANGES:
The CTI reserves the right to change instructors at any time should circumstances dictate. Our policy is to screen potential instructors carefully, ensuring that each one chosen possesses substantial field experience as well as a teaching or presenting background. All instructors are evaluated by our participants, and future teaching assignments are made based upon these evaluations. From time to time, the CTI will introduce a new instructor to co-teach a course, but our policy is always to carefully pre-screen them and, where feasible, gradually integrate new instructors so you are assured of receiving the best instruction in the country in each discipline taught. Obviously, we cannot guarantee that every participant will be totally satisfied with every presenter, but every effort is made to ensure the competence of each instructor. Under no circumstances, however, can CTI refund course fees should a participant be dissatisfied with his or her instructor.
